

HARLO

HP6500 ROUGH TERRAIN FORKLIFT

The **HARLO HP6500** is purpose-built as an industrial rough-terrain forklift, designed for a variety of industries including agriculture, warehouse, construction, and more. When compared to the competition, HARLO has a 500 pound higher weight capacity, with faster travel speeds, more efficient load sensing hydraulic system, and easier serviceability.

FEATURES & BENEFITS

- 6,500 pound lift capacity
- John Deere or Cummins Tier 4 Final Engines
- 27.4 mph travel speeds
- 10'7" turning radius
- 2 Year / 2,000 Hour Warranty
